Subject: Cultural Resources Concurrence Request, Nielson Construction, Emma Park Limestone Pit, M/049/0093, Utah County, Utah

Dear Ms. Hunsaker:

The Division of Oil, Gas and Mining (Division) has received a proposal from Nielson Construction to conduct large mining operations in the East ½ of the Southeast ¼ of Section 32, Township 11 South, Range 9 East, Utah County, Utah. Enclosed with this letter are copies of the cultural resources survey report, the required cover pages, and the location map provided by the operator.

The survey found two sites which were determined not eligible for listing in the National Register of Historic Places. The Division agrees with this assessment and has determined that no historic properties are present or will be affected. The Division seeks your concurrence with this determination.

Thank you for your assistance. Please call me at 801-538-5261 if you have questions about this request.

Sincerely,

Paul B. Baker
Minerals Program Manager
